

If I'd'a Shot You Sooner

Whiskey Chimp

Well Iâ€™m sitting in a cell in Baton Rouge, plenty of time for thinking
Ainâ€™t no women or wine in here, that I will be drinking
What have I done to deserve this kind of fate somehow
If Iâ€™a shot you sooner, Iâ€™d be outta jail by now

Well when did I meet you sometime, you were a different gal,
You had that little toothless smile, you were my bestest pal
What have I done to deserve this kind of fate somehow
If Iâ€™a shot you sooner, Iâ€™d be outta jail by now

All day long your crazy ways have got under my skin
Cuz I ainâ€™t the kinda guy that would ever do a sin
Lord shootinâ€™ you was just like shootinâ€™ some old noisy cow
If Iâ€™a shot you sooner, Iâ€™d be outta jail by now

Cajun Violin Break!

All day long your crazy ways have got under my skin
Cuz I ainâ€™t the kinda guy that would ever do a sin
Lord shootinâ€™ you was just like shootinâ€™ some old noisy sow
If Iâ€™a shot you sooner, Iâ€™d be outta jail by now
If Iâ€™a shot you sooner, Iâ€™d be outta jail by now

Cajun Violin Break!
