

Didn't We Shine

Waylon Jennings

Well hello, it's good to see you, just how long has it been?
I've often wondered what I'd say if we ever met again
Would I try just being clever or pretend not to remember?
But it's funny how you'd linger on my mind Didn't we shine, didn't we shine?
Didn't we share and care and lay our hearts on the line?
Maybe it wasn't meant to last 'til the end of time
Oh, but while it did, didn't we shine? I still have some blue days that I could do without
And when I have my blue days you're all I think about
But I've long ago forgiven you for what you did or didn't do
Now all I can recall are the happy times Didn't we shine, didn't we shine?
Didn't we share and care and lay our hearts on the line?
Maybe it wasn't meant to last 'til the end of time
Oh, but while it did, didn't we shine?
Was it my imagination or didn't we shine?
