Long Snake Moan

PJ Harvey

Um hm
Dunk you under deep salt water
Bring me lover
All your power
I'll be no hell
Out of your spell
Over under die of pleasure
Hear my dreaming
You'll be drowning
Hell's no God above
All drunk on my love
You ought to hear my long snake moan
You ought to see me from my throne

Dunk you under deep salt water
In my dreaming
You'll be drowning
Raise me up Lord
Call me Lazarus
Hey lord help me
Make me my fail
You ought to hear my long snake moan
You ought to see me from my throne
It's my voodoo working
It's my voodoo working
