ì•¼ë`ì• (Elaine) - Search Lyrics Search: WWW OST Part 2I wonder you search

Me wonder what you searchI've been so blind

Yeah hiding in disguise

Searching promise of love

Keeping my heart alive

I've been a good girlKnow this

I I'm born different

Don't care

ma ma what ma ma says

Watch it

yeah yeah your eagerness

Baby don't you drag me

down down down

Yeah hiding in disguise

Searching promise of love

Keeping my heart alive

You guess all you want

Someday what you find

Not be your liking

I I'm born different

Don't care

Watch it

yeah yeah your eagerness

Baby don't you drag me

down down down
