

Have You Ever

Brandi Carlile

Have you ever wandered lonely through the woods?
And everything there feels just as it should
You're part of the life there, you're part of something good
If you've ever wandered lonely through the woods
If you've ever wandered lonely through the woods Have you ever stared into a starry sky
Lying on your back you're asking why
What's the purpose, I wonder who am I
If you've ever stared into a starry sky
Have you ever stared into a starry sky Have you ever been out walking in the snow
Tried to get back to where you were before
You always end up not knowing where to go
If you've ever been out walking in the snow
If you'd ever been out walking you would know
