

# The Dark Night of the Soul

## The Get Up Kids

Never thought anything lasts forever  
Hanging on every word, hold the cards in tight  
But you're killing me with sincerity  
And I'd make any move tonight  
Redemption is a bitch too end on  
The dark night of the soul  
The dark night of the soul  
All my training beget a traitor  
A monster with a mind of its own  
The beast is poised to strike  
The bastard plays on these insecurities  
Takes all my will to fight  
Redemption is a bitch too end on  
The dark night of the soul  
The dark night of the soul  
Oh well, you know what they say  
Suddenly every thing's  
Suddenly every thing's real  
The dark night of the soul  
The dark night of the soul  
Oh well, you know what they say  
Suddenly every thing's  
Suddenly every thing's real  
The dark night of the soul  
The dark night of the soul  
The bastard plays on these insecurities  
Takes all my will fight  
The dark night of the soul  
The dark night of the soul  
Oh well, you know what they say  
Suddenly every thing's  
Suddenly every thing's real  
The dark night of the soul  
The dark night of the soul
