

Humans

NoMeansNo

Phone you mom, youe human
Don play dumb, youe human
I know that you are anxuios
You want more than thisClean your mess, youe human
Get undressed, youe human
I know youe embarressed
Pale and hairlessStep right up folks and join the fun
See the amazing ape with his opposable thumb
Youl be shocked, amazed, even horrified
That so much can be so compramisidLittle monkeys making money
Naked monkey looking funny
Mighty males are strong and free
Female monkey, not so lucky
Rocking monkeys, funky monkeys
Monkeys sticking other mnkeys
Monkeys wrong or monkeys right
Mostly flexing monkey might
HumansNow youe lost your Eden
There is no returning
It stares up and out at you
It not for youI dn care, I human
I too scared, I human
I know you want peace of mind
To be with your kindYou won believe your eyes
A cranium of unparalleled size
Immaculate if ill conceived
A sight not to be believedLittle monkey making money...I like other humans
Theye so very human
I know that it obvious
Wee all just like this
Only human
