Return Of The Dragon

Running Wild

(Rolf Kasparek)
Only when the last dragonslayer has been layed by the heels
And his deminic soul is melting in the holy flames of eternal truth
The dragons kingdom will return to free the enslaved soul
From his shackles of hate
urn to free the enslaved soul
That will be the time, when the Serpent looses its tongue and its head!!
The kiss of the Serpent brings darkness and torment
They fight the defender with treason and slander
Seducing to blindness, soul's getting mindless
They're slaying the dragon, the're hunting the pagan
When the unerring law of the dragon returns, to wipe away all the pain
The Serpent is banned and the soulless will burn, the root of all evil to tame
No resurrection with evil's attraction
Denying its spell, might save you from hell
When the unerring law of the dragon returns, to wipe away all the pain
The Serpent is banned and the soulless will burn, the root of all evil to tame
the death of all badness brings the end of all madness
Misleading liars, they will burn in the fires
When the unerring law of the dragon returns, to wipe away all the pain
The Serpent is banned and the soulless will burn, the root of all evil to tame
