

Home and Dry

Elephanz

So my baby's on the road
Doin' business, sellin' loads
Charmin' everyone there
With the sweetest smile Oh tonight, I miss you
Oh tonight, I wish you
Could be here with me but I won't see you
'Til you've made it back again Home and dry
Home and dry, ee aa, ee aai There's a plane at JFK
To fly you back from far away
All those dark and frantic
Transatlantic miles Oh tonight, I miss you
Oh tonight, I wish you
Could be here with me but I won't see you
'Til you've made it back again Home and dry
Home and dry, ee aa, ee aai
Home and dry
Home and dry, ee aa, ee aai Far away through night and day
You fly long haul tonight
Come to me, you know I'll be here
When you call tonight Oh tonight, I miss you
Oh tonight, I wish you
Could be here with me but I won't see you
'Til you've made it back again Home and dry
Home and dry, ee aa, ee aai
Home and dry
Home and dry, ee aa, ee aai Your baby waits tonight
