When God Made You

Newsong

Its always been a mystery to me
How two hearts can come together
And love can last for ever
But now that I have found you I believe
That A miracle has come
When god sends the perfect one
Now gone are all my questions about why
And I've never been so sure of anything
In my life
Oh I wonder what God
Was thinking
When he created you
I wounder if he
Knew everything I would need
Because he made all my dreams come true
When God made You
He must have been thinking about me
I promise that wherever you may go
Where ever life may lead you
With all my heart Ill be their too
And from this moment on
I want you to know
Ill let nothing come between us
And I will even love you more
Now gone are all my questions about why

And I've never been so sure of anything
In my life
Oh I wonder what God was thinking
When he created you
I wounder if he
Knew everything I would need
Because he made all my dreams come true
When God made You
He must have been thinking about me
He made the sun
He made the moon
To harmonize a perfect tune
One cant move without the other

They just have to be together
And that is why I know its true
Your for me
And I'm for you
Because my world just cant be right
With out you in my life
Oh I wonder what God was thinking
When he created you
I wonder if he knew everything I would need
Because he made all my dreams come true
When God made you
He must have been thinking about me
