[Ryan Leslie](#)

Yeah, uh, next selection I just wanna be good to you  
I really do, yeah  
I, I just wanna be good to you Girl, I need what you give me  
I don't wanna lose  
Yeah, I'm so high when you're with me  
Everything you do, ooh girl Said it's not somethin' that money can buy  
But it is somethin' that I can give all night  
You are precious so I'll move what you ask  
In an effort, baby girl to express, that I wanna I just wanna be good to you  
I really do  
I, I just wanna be good to you Yeah, you're the sun in the mornin'  
I love it when you shine, ohh

Come get it anytime, hey, yeah yeah Said it's not somethin' that money can buy
