KIDS ON THE STREET

2much Crew

Kids on the street
Are the kids that you meet
Long haired short haired
Black and white
Kids on the street just
Kids that you meet
Know how to laugh
And they know how to cry
Just go on and on
They never die
Cause the kids on the street
Are the kids that you meet
I wish they all could have their say
And the world would change
>From day to day
No more worries
Nothing but laughs
Cause the kids on the street
Are the kids that you meet
All you kids black and white
Together we are dynamite
Never wait a moment too long
Not tomorrow
Tomorrow is too long
Cause the kids on the street
Are the kids that you meet
Cause the kids on the street
Are the kids that you meet
We're the Geordie kids (Geordie kids)
We're the kids on the street
We're the Belfast kids(Belfast kids)
We're the kids that you meet
We're the Birmingham kids (Birmingham kids)
We're the kids on the street
We're the Glasgow kids (Glasgow kids)
We're the kids that you meet
