## Wanna Be with Me?

## Da Buzz

Want to be with me

Want to be with me (Wanna be with me)Night falls, everbody change their attitude

And they start to run, they wanna be the first in line again.

I go, stepping on the gas to a fortune

I don't know if I win, but Saturday is bringing the magic inWanna be with me

Let me show you, that I love you

Wanna be with me

You'll be stronger, I will hold you

If you wanna be with me(Wanna be with me)Turned here, listen to a voice that I don't know

Then we start to dance, feel his body movin' closer now

And I feel, take a step around I feel so good

I don't know if I win, but Saturday is bringing the magic inWanna be with me

Let me show you, that I love you

Wanna be with me

You'll be stronger, I will hold you

If you wanna be with meWant to be with me

Want to be with meOne is for the music

Two is for the moves you're making

Three is for emotions

Do you, do you love me? Wanna be with me

Let me show you, that I love you. Oh-yeah

Wanna be with me

You'll be stronger, I will hold you

If you wanna be with me

Let me show you, that I love you. Oh-yeah

Wanna be with me

You'll be stronger, I will hold youIf you wanna be with me

If you wanna be with me
