help me

Your love has become a problem for me and you have to find a solutionMy beloved,try to find a way,
my heart is driving me crazy
Aren't you wants me too? so let's be togetherThere is Fire ..fire within me
There is Fire ..fire inside of me, what should I do!
I loved her and waiting for her to notice me
and spare me my heartache & the suffering that I am living throughyou are my everythingThe details are in
you,oh you,you made my years brighter
give me comfort,make up for my aching,why are you letting me suffer?
I don't need anyone else but you and you know it,you are my everything
Someone like you only comes around once and never againThere is Fire ..fire within me
There is Fire ..fire inside of me, what should I do!
I loved her and waiting for her to notice me
and spare me my heartache & the suffering that I am living through
