Alsatian Darn (Single Version)

Panda Bear

Eel that you have ever, I could not
Actually hide and I said that it was true, look up
Where I, runWould I, will I
Let it slide,
Let it slip by,
No I won't let it slide,
No I won't let it slip by
UnderWhat you doing
What to do
What to do
Not to do what you want to do?
I can't miss youSay what it is I want to say,
Say what it is I want to say to you
Can I make that mistake.
