

# Alsatian Darn (Single Version)

## Panda Bear

Eel that you have ever, I could not  
Actually hide and I said that it was true, look up  
Where I, runWould I, will I  
Let it slide,  
Let it slip by,  
No I won't let it slide,  
No I won't let it slip by  
UnderWhat you doing  
What to do  
What to do  
Not to do what you want to do?  
I can't miss youSay what it is I want to say,  
Say what it is I want to say to you  
Can I make that mistake.
