Smile At Me

Rocksteddy

Funny how I fell for you
And the day you caught my eye
And my life have never been the same
Since the day I saw your smileAs you shine above from everyone
You stand out from the crowd
Somehow I cant find words to say
Youre indescribableAnd you sweep me off my feet
Everytime you smile at me, at me, at me, at me[Chorus]
You light my way
You always take my breath away
You set me free
When everytime you smile at meTheres this feeling that I cant hide
That I couldnt get enough of you
I cant deny, Im mesmerized
By the beauty of your smileCause you knock me off my seat
Everytime you smile at me, at me, at me, at me[Chorus]
You light my way
You always take my breath away
You set me free
When everytime you smile at me
You light my way
You always take my breath away
You set me free
When everytime you smile at me
