Break Of Dawn

Plankeye

This tailored life, I cannot breathe
There's something hidden
Something suffocating me
Is it my pentium? This thing is way too slowMy perfect life like in a dream
I started thinking that it wasn't what it seems
I gotta know, I wanna know
Please won't you tell me where it is that I should go?We'll move ahead, we're moving on
Until we see the break of dawnThis pot of gold, this Holy Grail
Sometimes it starts to feel more like a fairy tale
You told me once, tell me again
That everything is gonna be just like you saidWe'll move ahead, we're moving on
Until we see the break of dawnThere's nothing like complete devotion
Hidden like a king's emotion
At the bottom of the deepest ocean
