

# Break Of Dawn

## Plankeye

This tailored life, I cannot breathe  
There's something hidden  
Something suffocating me  
Is it my pentium? This thing is way too slow  
My perfect life like in a dream  
I started thinking that it wasn't what it seems  
I gotta know, I wanna know  
Please won't you tell me where it is that I should go?  
We'll move ahead, we're moving on  
Until we see the break of dawn  
This pot of gold, this Holy Grail  
Sometimes it starts to feel more like a fairy tale  
You told me once, tell me again  
That everything is gonna be just like you said  
We'll move ahead, we're moving on  
Until we see the break of dawn  
There's nothing like complete devotion  
Hidden like a king's emotion  
At the bottom of the deepest ocean
