When I close my eyes, I slip into a dream like I'm falling.  
And I see my life, and everything that I've always wanted.  
I can't describe, Floating and it feels like I'm weightless.  
My name in lights, My destiny is gonna be greatness.

This ain't just a dream, Its reality.  
When you put your mind to it, you can have almost anything.  
Take it from me  
Don't ever let them stop you, I tell ya you can  
Reach for your dreams, Reach for your dreams.

It might seem so far, like something you can only imagine.  
Just know who you are, make your mind up and make it happen.  
No fear just heart, just know that what's inside you is special.  
One step to start, see everything from another level.

This ain't just a dream, Its reality.  
When you put your mind to it, you can have almost anything.  
Take it from me  
Don't ever let them stop you, I tell ya you can  
Reach for your dreams, Reach for your dreams.

I DREAM ABOUT THIS EVERY SINGLE NIGHT  
AND I CAN KEEP ON RAPPIN JUST OFF SITE  
COS BIG DREAMS LEAD TO BIG THINGS  
FLASHING LIGHTS WITH MY NAME IN IT  
SUIT AND TUXES I STAY FITTED  
ALL THE WAY COS I'M MADE WITH IT  
EVERYTHING I WANTED NOW IT ALL CAME TRUE  
GREY POUPOUN WITH A DRIVER TO  
GREAT BIG HOUSE WITH A DIAMOND AND A POOL  
MAMA ALWAYS SAID SHE DIDNT RAISE NO FOOL  
IMA STAY HOT COS I'MLL KEEP IT COOL

## NEVER GOTTA FRONT WHEN YOU'VE PAID YOUR DUES

This ain't just a dream, Its reality.

When you put your mind to it, you can have almost anything.

Take it from me

Don't ever let them stop you, I tell ya you can

Reach for your dreams, Reach for your dreams.
