

# N.I.B. (Live Evil Version)

## Black Sabbath

Oh yeahSome people say my love cannot be true  
Please believe me, my love, and I'll show you  
I will give you those things you thought unreal

The sun, the moon, the stars all bear my sealOh yeahFollow me now and you will not regret

Leaving the life you led before we met

You are the first to have this love of mine

Forever with me 'till the end of timeYour love for me has just got to be real

Before you know the way I'm going to feel

I'm going to feel

I'm going to feelOh yeahNow I have you with me, under my power

Our love grows stronger now with every hour

Look into my eyes, you'll see who I am

My name is Lucifer, please take my handOh yeahFollow me now and you will not regret

Leaving the life you led before we met

You are the first to have this love of mine

Forever with me 'till the end of timeYour love for me has just got to be real

Before you know the way I'm going to feel

I'm going to feel

I'm going to feelOh yeahNow I have you with me, under my power

Our love grows stronger now with every hour

Look into my eyes, you'll see who I am

My name is Lucifer, please take my hand
