Living In Soho

Skip the Use

This is my hometown, has been a long time
There's a blue and dam with colors but i dont give a damn
Now you've said it, what that mean to me
I don't want to go I live in SoHo
There's no better place to live
Don't do it for me, do it for you
There's no better place to live
I don't want to go I live in SoHo
There's no better place to live
Don't do it for me, do it for you
There's no better place to live
I'm taming the streets you know this is my life
We are will party I know this is your life
Now you've said it, what that mean to me
I don't want to go I live in SoHo
There's no better place to live
Don't do it for me, do it for you
There's no better place to live
I don't want to go I live in SoHo
There's no better place to live
Don't do it for me, do it for you
There's no better place to liveWherever you live
I live in SoHo
Wherever you live
I live in SoHo
Wherever you live
I live in SoHo
Wherever you live
I live in SoHo
I don't want to go I live in SoHo
There's no better place to live
Don't do it for me, do it for you
There's no better place to live
I don't want to go I live in SoHo
There's no better place to live
Don't do it for me, do it for you
There's no better place to live
I don't want to go I live in SoHo
There's no better place to live

Don't do it for me, do it for you
There's no better place to live
