So Good

Beat Connection

Ooh you make it so good
Baby, somethin' about you.Ooh you make it so good
Baby, somethin' about you.What if I woke up on a different day
Staring at a different face
How could I ever be the one to let you go
You gotta let me knowWhat if I woke up on a different day
Staring at a different face
How could I ever be the one to let you go
You gotta let me know
Because...
Ooh you make it so good
Baby, somethin' about you.What if you turned around and walked away
And I never got a chance to say
All of the reasons why I feel the way I do
You know my love is true
I was thinkin' about you and me
And the way that I wanted it to be
I need to tell you how I feel right now
'Cause you are the one, the only one
That I've been thinkin' 'boutOoh you make it so good
Baby, somethin' about you.
