

My Love Life

[Morrissey](#)

Come on to my house
Come on and do something new
I know you love one person
So why can't you love two?
Give a little something
Give a little something
To my love life, to my love life
My love life
I know you love one person
So why don't you love two, love?
Love two

Give a little something
Give a little something
To my love life, to my love life
My love life
I know you love one person
So why don't you love two, love?
Love two
