Humble Daisy

Humble Daisy
Form a chain to hold all battleships in check
Humble Daisy
Knit a ladder down to nature's sunken wreck
Ragged rug unbound, tangle trip the lovers
Royal barge aground
Brighter than all of the others on the window sill
I'll sing about you if nobody else will
Humble Daisy
Cast the milk and coins of morning's cash about
Humble Daisy
I fell down to heaven as you picked me out
We'll look up together, browsing through some old sky
Sipping in the weather
You've got me dizzy, the fly that climbed the sugar hill
I'll lay upon you till somebody else will
Humble Daisy
We'll look up together
Humble Daisy
Sipping in the weather
Humble Daisy
We'll look up together
Humble Daisy
Sipping in the weather
Humble Daisy
We'll look up together
Humble Daisy
Sipping in the weather
