I Feel Lonely

Sasha

I feel lonely, lo lo lo lo lonely
You're the one and only that makes me feel so blue
I feel lonely, lo lo lo lo lonely
You're the one and only that makes my dreams come trueAll across the universe, every boy and every girl
Is looking for this thing called love
So why do all the other guys got pretty women by their side?
Some guys really can't complainEvery night, I lay awake and cry
I'm missing someone to stand by my sideI feel lonely, lo lo lo lo lonely
You're the one and only that makes me feel so blue
I feel lonely, lo lo lo lo lonely
You're the one and only that makes my dreams come true
I feel lonelyIt's not easy to fall in love, so I pray to God above
Lord, I need a helping hand
Hey, Mr DJ play this song, I've felt lonely for so long
This is my SOS for loveAll the time I got it on my mind
Someone to hold me tight is hard to findI feel lonely, lo lo lo lo lonely
You're the one and only that makes me feel so blue
I feel lonely, lo lo lo lo lonely
You're the one and only that makes my dreams come trueI feel lonely, so lonely
I feel, I feel, I feel so lo, I feel, I feel, I feel so lo
I feel, I feel, I feel so lonely, girlI feel, I feel, I feel so lo, I feel, I feel, I feel so lo
I feel, I feel, I feel so lonely, girlI feel lonely, lo lo lo lo lonely
You're the one and only that makes me feel so blue
I feel lonely, lo lo lo lo lonely
You're the one and only that makes my dreams come trueI feel lonely, lo lo lo lo lonely
(I feel, I feel, I feel so lo, I feel, I feel, I feel so lo)
You're the one and only that makes me feel so blue
(I feel, I feel, I feel so lo)
I feel lonely
