

# Fuck Dying (feat. Korn)

## Ice Cube

Ice Cube, Ice Cube  
That's Don Mega to you, you cocksucker  
I am the angel of death  
And your name is on my list  
Sheeyit  
Come with me I ain't goin' nowhere wit yo' ass  
And if you put your hands on me  
We gettin' down right here Don Mega, Don Mega Join the party, I can provide the army  
Join the party, I can provide the army  
Join the party, I can provide the army  
Join the party, I can provide the army Come and hear the voice of the man they call the Trojan Horse  
Ride on the outside with inner force  
Throw you off course, of course, you missed the runway  
We mash, like the first kickoff on a Sunday Collisions, divisions of niggaz, down to listen  
And when we on the mission, call your mortician  
Join the party, I can provide the army  
First we flank 'em then we spank 'em, I outrank 'em You can call me Citizen Kane for my reign  
Ten years great, one of the ten great  
Mr. Media, look inside your encyclopedia  
2002, see Ice Cube Fuck a five-star, I'm a live star  
What you got to die for?  
Who you wanna ride for?  
Fuck dying, fuck dying Don Mega, Don Mega It's the suspect king of the roughnecks, bonafide  
Worldwide, your highness, the finest  
Big as China, nigga rhymer, chart climber  
Quick to send a first-timer back to his aunt Jemimah Physical, nigga roll with the winners  
After these dinners, go out and represent us  
We got antennas, scanners and satellites  
To see if you battle right, we got to bite Hold on tight, shake and pump venom  
Some haters don't learn till you leave lead in 'em  
See the dead in 'em, riga mortis spread in 'em  
Keep your mouth shut, motherfuckin' mouth slug See these crossed legs, quick to cross Feds  
Foe to mighty one, it's the mighty son  
Fuck dying Don Mega, Don Mega, Don Mega Join the party, I can provide the army  
Join the party, I can provide the army  
Join the party, I can provide the army  
Join the party, I can provide the army Fuck dying, I can provide the army  
Fuck dying, I can provide the army  
Fuck dying, I can provide the army

Fuck dying, I can provide the army  
In the ghetto, in the ghetto  
In the city, the suburbs, penitentiary  
In the county  
Fuck dying, fuck dying  
Join the party, I can provide the army  
Join the party, I can provide the army  
Join the party, I can provide the army  
Join the party, I can provide the army  
I can provide the army  
I can provide the army  
I can provide the army  
Eternal life, baby  
Eternal life, eternal life  
Hear ye, hear ye  
All connect gang members and powers  
Are to meet at the west wing  
To be led into battle by the one and only
