The Sky Is Burning (Exclusive Mix)

Primal Fear

I sold my soul for eternity
On the wrong side of heaven
Hell is not to blame
For god's forgotten sonTen thousand miles away from home
On the dark side of hell
Turning cold for the final time
No surrenderI am alive
Through the fields of fire
Will you remember me
I an alive
Defy the undead
The sky is burning
Forgive me for my sins
On the wrong side of heaven
All my shattered dreams
Call out the demons in meAnother nightmare came true
On the dark side of hell
Release me from my pain
There's no light at the end
I am alive
Through the fields of fire
Will you remember me
I an alive
Defy the undead
The sky is burning
