Second Step Next Language

Robert Pollard

Second step next language
I selected it
Cant you see it in my eyes?
And Im a competent selector of lies
That will not help youSecond step next language
On a good day
Its a puzzle in the stars
And its the offspring crawling
From broken jars
I think its challengingSecond step next language
Im a pro at it
Direct from Humble Pie
Stroke your wooly memory
And cross your foolish eyes
Next language!
