Better Man

Little Big Town

[Verse 1]

I know I'm probably better off on my own Than lovin' a man who didn't know What he had when he had it And I see the permanent damage you did to me Never again, I just wish I could forget when it was magic I wish it wasn't 4am, standing in the mirror Saying to myself, you know you had to do it I know the bravest thing I ever did was run[Chorus] Sometimes, in the middle of the night, I can feel you again But I just miss you, and I just wish you were a better man

And I know why we had to say goodbye

Like the back of my hand

And I just miss you, and I just wish you were a better man

A better man

[Verse 2]

I know I'm probably better off all alone Than needing a man who could change his mind at any given minute And it's always on your terms

I'm hanging on every careless word Hoping it might turn sweet again

Like it was in the beginning

But your jealousy, I can hear it now

You're talking down to me like I'll always be around

You push my love away like it's some kind of loaded gun

Boy, you never thought I'd run[Chorus]

Sometimes, in the middle of the night, I can feel you again

But I just miss you, and I just wish you were a better man

And I know why we had to say goodbye

Like the back of my hand

And I just miss you, and I just wish you were a better man

A better man

Better man[bridge]

I hold onto this pride because these days it's all I have And I gave you my best and we both know you can't say that

You can't say that

I wish you were a better man I wonder what we would've become If you were a better man

We might still be in love
If you were a better man
You would've been the one
If you were a better man
Yeah, yeah[Chorus]

Sometimes, in the middle of the night, I can feel you again
But I just miss you, and I just wish you were a better man
And I know why we had to say goodbye

Like the back of my hand
And I just miss you and I just wish you were a better man

A better man

Better man[Outro]
We might still be in love, if you were a better man
Better man
