

Make the World Move (feat. CeeLo Green)

Christina Aguilera

Fight the darkness, sing the song
Fight the darkness, sing the song
Fight the darkness, sing the song Move! move! move! If one smile could erase a frown
Imagine what two could do (turn it up!)
And if one voice could change a heart
Imagine what two could do (turn it up!) The time is now
No time to wait
Turn up the love
Turn down the hate
Turn up the love
Turn down the hate That-That sounds good, let the record play
The time is now
No need to wait
Turn up the love say cause Im free
No time to wait (hey!) Make the world move
Come on and make the world move Spinning faster
Round and round
Let me hear that future sound If you and I can compromise
Imagine what a few could do (turn it up!)
Dont listen to the point of view
And haters aint fooling you (turn it up!)
The time is now
No time to wait Turn up the love
Turn down the hate
Turn up the love
Turn down the hate
That-That sounds good, let the record play The time is now
No need to wait
Turn up the love say cause Im free
No time to wait (hey!) Make the world move
Come on and make the world move
Spinning faster
Round and round
Let me hear that future sound
Starts with me and you
Make the world move Just think about it
Anybody
You love somebody oh oh oh
Cause if anybody

Can love somebody
So can everybody oh oh oh
Imma need somebody
To help somebody
We all need somebody The time is now
No time to wait
Turn up the love
Turn down the hate
Turn up the love
Turn up the love
Turn up the love (the love, the love) Yeaaaaaaaaaaaaah!
Make the world move
Come on and make the world move
Spinning faster round and round
Let me hear that future sound It starts with me and you
Make the world move
