

Intro (feat. Deborah Joy Imani Winans)

Mary Mary

The Definition of Sound
Vibrations that travel through the air
Or another media
And can be heard when they reach another person's ear
That's not the only Definition of Sound
There's a sound of one's voice that let's you know just want they feel There's a sound of Pain a sound of Joy a
sound of strength a sound of Love a sound of Desperation and a sound of victory
Listen to the Sound
