

You Stole My Money Honey

Stereophonics

You stole my money, honey
You're cold, your blood's stopped runnin'
And now you're buyin' your new life
Can't help but find you funny
The clothes you wear are somethin'
You made your whole life boastin' lies
Pretend you're high on somethin'
To think, you think I'm dumb, you're blind
I get by fine without you, I lie about you
You got no spine only mine, don't you know wrong from right
It's up to you, you're such a fool
See I'm a giver, taker
You liked your Cocaine chaser
The girls you love all sleep around
You got a piece of somethin'
But what it's worth is nothin'
'Cause what you want you just can't buy
Pretend you're high on somethin'
To think you think I'm dumb, you're blind
I get by fine without you, I lie about you
You got no spine only mine, don't you know wrong from right?
You got no style about you, I try to like you
I got no time for you now 'cause your time's runnin' out
It's up to you, you're such a fool
I get by fine without you, I lie about you
You got no spine only mine, don't you know wrong from right?
You got no style about you, I try to like you
I got no time for you now 'cause your time's runnin' out
It's up to you, it's up to you, you're such a fool, it's up to you
