Got No Shame

Brother Cane

Fools of faith surrounding me in shades of green
Rats and snakes they always try to get the best of me, but they won't
Heaven knows the time is right to take the reins
Down the road, they're gonna find out anyway, but it's too late, you knowLeeches like pretendin'
That they're everything they're not
I don't like it I, don't need it
I don't want it 'cause baby I don't believe it, and IGot no shame, well I got no one to blame
All the same, gonna taste the wine
'Cause it's right there in front of meWalk the streets a-carryin' a, heavy load
Hounds of blood are comin' and so I take a left turn back down the right road
Sister sweet she told me 'bout it, just can't seem to live without it
If that can't open my eyes forever, baby, don't you waste your time
I found shelter, helter-skelter, get inside me, you won't find meGot no shame, well I got no one to blame
Got no shame, all the stakes are high lightin' up the sky
It's all the same but you will never feel itYou know leeches like pretendin'
That they're everything they're not
I don't like it, I don't need it
I won't take it at allGot no shame, well I got no one to blame
Got no shame, all the stakes are high
Lightin' up the skyGot no shame, well I got no one to blame
All the same, gonna taste the wine
'Cause it's right there in front of me
You won't find me, never get inside of me
