

Good Enough For Granddad

Squirrel Nut Zippers

If it's good enough for Granddad
It's good enough for me.
The way it was that's the way it's got to be.
He told me all about the good times that he had.
Even when the times were sad.
What's good enough for granddad.
He's been to all kinds of places Been to every old foreign land
Ain't a man alive shuck and jive
Better than Granddad can!
All the good times that he had.
If they were good enough for Granddad,
They're good enough for me.
