

Dalek I Love You (Destiny) (single mix)

Dalek I Love You

We are looking around us now
Almost concerned by what we see
Vaguely interested, ask
"Are we the only ones to realize our destiny?"

Well, Dalek, I love you
Dalek, I love you
We're going to save the world
We're going to change your world

Well, Dalek I love you
Dalek, I love you
We're going to save the world
We're going to change your world

What would I gain, what would I gain
If I should make my money
Sell my brain?
What do I see, what do I see
When I become a slave to a machine?

What do I hear, what do I hear?
Muzak playing everywhere
What do I feel, what do I feel?
Lead in the air I breathe

Well, Dalek, I love you
Dalek, I love you
We're going to save the world
We're going to change your world

Well, Dalek, I love you
Dalek, I love you
We're going to save the world
We're going to change your world

Well, Dalek, I love you
Dalek, I love you
We're going to save the world

Weâ€™re going to change your world
