

the aussie christmas song

Batesy

Merry Christmas
Good to see ya mate
Hey Jackoâ€! you got the barby fired up there?
Yeah Batesyâ€! cooking with gasâ€! the eskys in shockas

Well we fired up the barbie but itâ€™s already thirty degrees
And you think about the other when theyre freezing over seas

We dont have to think about the snow on christmas eve
The coldest things the esky and itâ€™s full of baked beans

Come onâ€! come onâ€! this is an aussie christmas song
Come onâ€! come onâ€! this is an aussie christmas song

Well McGraw took a wicket in the cricket at the MCG

Aussie Aussie Aussieâ€! Oi Oi Oi

And the backyard cricket just the ticket while you wait to eat

Had my christmas dinner now itâ€™s time to think it over how bout if there enough room for a piece of pavlova

Come onâ€! come onâ€! this is an aussie christmas song
Oh - Come onâ€! come onâ€! this is an aussie christmas song

well Christmas is spent by the beach relaxing in the sun
watching tennis on tv when hewitt screams â€œCOME ONâ€•

COME ONNNNNNNNNNN!

Well my daughter said, â€œDad wouldnt Santa get hot in all his clothesâ€•
Yeah but he needs them overseas at Christmas where it snows

But when he is in Australia and heâ€™s singing christmas songs
he only needs a singlette and his shorts and his thongs

Come onâ€! come onâ€! this is an aussie christmas song
Oh - Come onâ€! come onâ€! this is an aussie christmas song
Oh Sing along come onâ€! this is an aussie christmas song

Come on! come on! this is an aussie christmas song

Aussie Aussie Aussie! Oi Oi Oi

Merry Christmas mate
