## 7 Year Bitch

It cuts a walk, I don't bleed
It reaches and pierces my need
'Cause it cuts a walk, I don't bleed
And it reaches and pierces my needAnd it seems so far away
And it seems like yesterday
But I've made up my mind
As regret crawls up my spineIt cuts a walk, I don't bleed
It reaches and pierces my need
'Cause it cuts a walk, I don't bleed
And it reaches out into eternityAnd this is my soul
It cuts but I don't bleed
It cuts 'cause I need
'Cause I needAnd it seems so far away
And it seems like yesterday
And it rains in the sunshine
As regret crawls up my spineIt cuts a walk, I don't bleed
It reaches and pierces my need
It cuts a walk, I don't bleed
It reaches and pierces my need'Cause I'm mean
'Cause I'm mean
'Cause I'm mean
