

# Alien

## Your Favorite Martian

Have you ever felt left out of the group, excluded?  
Given the boot when you knew you should have been a shoo-in?  
Like some ancient Druid was pursuant to ruin your life  
With a curse but worse, he brought his whole damn crew in.  
And now it's high noon and you're a target to shoot at  
This school's a battlefield, no wonder you're truant!  
They always look at you and they boo at what you're doing  
And you go off like a bomb at the Olympics in Munich.

Nah, you're just an extraterrestrial  
Less than respectable  
You'll never get to get the girl  
You're just a jester at the festival  
I guess it's acceptable  
To peg your head with vegetables  
And kick you in the testicles  
And best of all let you know that you're a filthy dog  
And you'll never be best in show.

So why the abuse?  
Cause all a bully needs is a fucking excuse!

[Chorus]  
Planet Earth I need a friend  
Cause I'm on the outside looking in  
I'm an Alien  
I'm just an Alien  
Feeling lost but never found  
Til I found myself being pushed around  
I'm an Alien  
Yes, I'm an Alien.

I'ma be honest, it gets better I promise  
So don't let them ground you down to a pound of sawdust  
Stay on the stage the longest til the gong hits  
And everybody comments on their fondness  
Of your polish and your overall knowledge  
Remain calmest and abolish your modesty  
Cause honestly you got to be positive  
You're a prodigy!

You show the world that youâ€™re not to mess with  
Itâ€™s a broken home that makes these bastards aggressive  
You can expect to get rejected  
Neglected, stripped naked, and tested â€™til they reckon  
You feel terrible because nothing is comparable  
Violence ainâ€™t the answer but the pain is unbearable  
Youâ€™re nice and jaded from being isolated  
Now you coast through life feeling twice as hated.

So why the abuse?  
â€™Cause all a bully needs is a fucking excuse!

[Chorus]

Axel on the drums!

Run!

Well,

[Chorus]

No Ohhh!  
Iâ€™m an Alien  
Yes, Iâ€™m an Alien  
Ohhh
