Master and Servant

Nouvelle Vague

It's a lot
It's a lot
It's a lot
It's a lot
It's a lot
It's a lot
It's a lot
Like lifeThere's a new game
We like to play you see
A game with added reality
You treat me like a dog
Get me down on my kneesWe call it master and servant
We call it master and servantIt's a lot like life
This play between the sheets
With you on top
And me underneath
Forget all about equalityLet's play master and servant
Let's play master and servantIt's a lot like life
(It's a lot like life)
And that's what's appealing
If you despise that throw away feeling
(It's a lot like life)
From disposable fun
Then this is the oneDomination's the name of the game
In bed or in life
They're both just the same
Except in one you're fulfilled
At the end of the dayLet's play master and servant
Let's play master and servantCome on
Come on
Master and servantIt's a lot
It's a lot
It's a lot
It's a lot
It's a lot
It's a lot
It's a lot
Like lifeIt's a lot
It's a lot

It's a lot
It's a lot
It's a lot
It's a lot
It's a lot
(Master and servant)It's a lot
It's a lot
It's a lot
It's a lot
It's a lot
It's a lot
It's a lot
Like lifeIt's a lot like life
(It's a lot like life)
And that's what's appealing
If you despise then throw away feeling
(It's a lot like life)
From disposable fun
Then this is the one(Come on)
Let's play master and servant
(Come on)
Come on, master and servant
(Come on)
Let's play master and servant
(Come on)
Come on, master and servant
(Come on)
Let's play master and servant
(It's a lot, it's a lot)
(Come on)
Come on, master and servant
(It's a lot, It's a lot)
