Warp

è‹¥äº•æ·‘

You shaped ideas system
You made it clear system
You'll pay the price system
Look what you've done
I've got the feeling
I've got the feeling
It's begun to warp
I've got the feeling
I've got the feeling
It's begun to warp
I've got the feeling
I've got the feeling
You told some lies system
The big surprise system
But open eyes system
Saw through it all
I've got the feeling
I've got the feeling
It's begun to warp
I've got the feeling
I've got the feeling
It's begun to warp
Warp
Warp
Warp
Warp
All over now system
They found you out system
So where to now system
Look what you've done
I've got the feeling
I've got the feeling
It's begun to warp
I've got the feeling
I've got the feeling
It's begun to warp
I've got the feeling
I've got the feeling
I've got the feeling

I've got the feeling
It's begun to warp
