

# Cyclical (feat. SPZRKT)

## Daktyl

Please don't stay if you have any questions,  
About how you feel cuz that isn't what I need.  
Baby you're a hurry and your lookin for a way out.  
This isn't what I deserve, no this isn't what I derserve  
I deserve those open arms, I deserve a loving heart  
Cyclical bones and cyclical minds, smoking your lungs  
And love in your eyes. Something so pure (I just want a love that's) pure cuz all I really want is a love that's  
pure.
