Learning to Be the Light

NewWorldSon

When the stars came crashing down
In tiny pieces to the ground
I was all alone down here
Trapped beneath the atmosphere
Then I, thought somebody called my name
I spun around and caught a flame
I gave into a God I didnâ€™t know
And now everything is falling into place
A brand new life is calling and I owe it all to grace

Itâ€™s so much brighter living in your world
Savior, what you did for me
You gave me something I want everyone to see
When we struggle and it all goes wrong
Only you can make it right
So I say
Oh oh oh oh oh
Iâ€™m learning to be the light
whoa, whoa
Iâ€™m learning to be the light
whoa, whoa

When a heart is cold as ice
You canâ€™t melt it with advice
No one wants to listen to
A list of things they shouldnâ€™t do
So I build a city on a hill
And I light a candle on the sill
Knowing youâ€™ll be always knocking at the door
Oh God I just want to love on everyone
All I have is yours to give so let the people come

Itâ€™s so much brighter living in your world
Savor what you did for me
You gave me something I want everyone to see
When we struggle and it all goes wrong
Only you can make it right
So I say
Oh oh oh oh oh

Iâ€™m learning to be the light
whoa, whoa
Iâ€™m learning to be the light
whoa, whoa
Iâ€™m learning to be the light

that makes the shadows hide
the light that breaks the curse of pride
the light that takes the weary in itâ€™s arms

When it all came crashing down
There was only darkness all around
But in the distance I could see
A Flame

Itâ€™s So much brighter living in your world
Savior what you did for me
You gave me something I want everyone, I mean everyone to see
When we struggle and it all goes wrong
Only you can make it right
So I say
Oh oh oh oh oh
Iâ€™m learning to be the light
whoa, whoa
Iâ€™m learning to be the light
whoa, whoa
Iâ€™m learning to be the light
whoa, whoa
Iâ€™m learning to be the light
whoa, whoa
Iâ€™m learning to be the light!!
