Lovin' Arms

Poco

Seems to me I'm fallin'
And I can't believe my eyes
Don't you know it's love
I'm tryin' to disguiseBut I must confess that
No one else but you
Satisfies my mind so
What else can I do?Here I go fallin' in love
Just knowin' that you'll always care
Your lovin' arms
Will hold me thereSpent some time in learnin'
Run from what you feel
Now you got me stumblin'
Head over heelsPlain to see it's trouble
Yellin' what to do
Sneakin' up on me and
All because of youHere I go fallin' in love
Just knowin' that you'll always care
Your lovin' arms
Will hold me thereSeems to me I'm fallin'
And I can't believe my eyes
Don't you know it's love
I'm tryin' to disguiseBut I must confess that
No one else but you
Satisfies my mind so
What else can I do?Here I go fallin' in love
Just knowin' that you'll always care
Your lovin' arms
Will hold me thereHere I go fallin' in love
Just knowin' that you'll always care
Your lovin' arms
Will hold me there
