

What Are We Doing

Danielle Bradbery

We're good we're bad

We cuss we laugh

We can we won't

We do we don't

We dance we stop

We're high we drop

We're fire we're ice

We're day we're night You call my phone and you give me the cold shoulder

And then you won't leave me alone

So what are we doing (oooh)

What are we doing (oooh)

Cuz it feels like we're loosing (oooh)

So what are we doing (oooh)

I ain't been sleeping, been thinking instead

Why I keep kicking you out of my bed

So what are we doing

What are we doing You kiss me you hold me

You tell me that you want me

You put your arms around my waist

And you flaunt me

You call me baby

Then we're fighting you hate me

And I hate you and it hurts me

That I hate you

So what are we doing (oooh)

What are we doing (oooh)

Cuz it feels like we're loosing (oooh)

So what are we doing (oooh)

I ain't been sleeping, been thinking instead

Why I keep kicking you out of my bed

So what are we doing

What are we doing (What are we doing)

(Tell me what we're doing) You call my phone and you give me the cold shoulder

And then you won't leave me alone What are we doing (oooh)

What are we doing (oooh)

Cuz it feels like we're loosing (oooh)

So what are we doing (oooh)

I ain't been sleeping, been thinking instead

Why I keep kicking you out of my bed

So what are we doing
What are we doingWhat are we doing baby
What are we doing
