

# Alive

## Brothers McClurg

### verse 1

this a call to all the dead and dissapointed  
the ones who feel like they are done  
this is a word to all the ones who feel forgotten  
but you are not.

### (chorus)

were alive, alive, alive, and were singing  
were alive, alive, alive, and were shaking  
were alive, alive , alive, alive in you.

### verse 2

we have soaked in all the grace that we've been given  
unchained from all that we have done  
your mercies rising like the sun on the horizon.  
were coming home. oh you know were coming home.

### chorus

(bridge) Lord if you can use us fill us up  
let us feel your love rush over us (4x)

### chorus (x2)

### verse 1

this is a call to all the dead and dissapointed  
the ones who feel like the are done.  
this is a word to all the ones who feel forgotten  
but you are not, you are not.
