

The Devil Ain't Lazy

Pokey LaFarge

Devil ain't lazy (no sirree)
Devil ain't lazy (no sirree)
He roams around with sticks and stones
Passes out his moans and groans
Devil ain't no lazybones - he works 24 hours a day

Devil ain't lazy (no sirree)
No, the Devil ain't lazy (no sirree)
Likes to see us fight and fuss
Makes us mean enough to cuss
Then he blames it all on us - he works 24 hours a day

He travels like a lightning streak
And he strikes from town to town
And if he gets you when you're weak
He'll tear your playhouse down

Devil ain't lazy (no sirree)
No, the Devil ain't lazy (no sirree)
Tells us he won't hurt a fly
But then he makes us steal and lie
Keeps us sinning until we die - he works 24 hours a day

Instrumentals

Oh, the Devil ain't lazy (no sirree)
The Devil ain't lazy (no sirree)
Gets his pitchfork out each night
Gives the folks an awful fright
I know he does it just for spite - he works 24 hours a day

Devil ain't lazy (no sirree)
Oh, the Devil ain't lazy (no sirree)
He tells us how to find success
And I know you wind up in distress (I'll tell you why)
The Devil is an awful mess - he works 24 hours a day

He likes to see things scorch and burn
So, don't make no excuse

If he catches you heâ€™ll turn you anyway but loose

Nah, the Devil ainâ€™t lazy

Say, the Devil ainâ€™t lazy

So, if you think youâ€™re strong and brave

Smart enough to not behave

Youâ€™ve got one foot in the grave â€“ he works 24 hours a day

24 hours a day â€“ yes he does

He works 24 hours a day

He works 24 hours a day
