Water Into Wine

Advisory - the following lyrics contain explicit language:

If He were here today, what would we say?
Would we repeat the past, or let Him lead the wayMinds jaded, life's faded - will we answer the call?
To keep fighting - Uniting, and stand up tall[Chorus:]
He turned Water Into Wine
And made the blind man see
He cast devils out, into swine
He's came to set you freeThe road to hell is wide, but heavens narrow
Will we stop tryin' to hide, or be like Pharaoh?Pride and Glory, same story - since the beginning of time
If we're ready - and we're steady, we'll make the line[Chorus:]
He turned Water Into Wine
And made the blind man see
He cast devils out, and into swine
He' came to set you free
