

# Snortin' Whiskey

**Pat Travers & Carmine Appice**

Snortin' whiskey and drinkin' cocaine  
We're snortin' whiskey and drinkin' cocaine  
I got this feelin' I'm gonna drive that girl insane You're like a bad rumor  
Baby, you're all over town  
You're like a bad rumor  
Baby, you're all over town  
All over town I may be confused, but you know I sure ain't down  
I'm a fast movin' baby, I can show you around  
I got so much cocaine, ain't never comin' down Snortin' whiskey and drinkin' cocaine  
I got this feelin' I'm gonna drive that girl insane  
Insanity  
Snortin' whiskey, drinkin' cocaine  
We're snortin' whiskey and I'm, I'm drinkn cocaine  
I got this feelin' I'm gonna drive that girl insane  
Got this feelin', I'm gonna drive that girl insane
