

I Wish You Love

Jane Monheit

Goodbye,
No use leading with our chins
This is where our story ends
Never lovers, ever friends
Goodbye,
Let our hearts call it a day
But before you walk away
I sincerely want to say

I wish you bluebirds in the Spring
To give your heart a song to sing
And then a kiss,
But more than this,
I wish you love!
And in July a lemonade
To cool you in some leafy glade
I wish you health,
And more than wealth,
I wish you love!
My breaking heart and I agree
That you and I could never ever be
So with my best,
My very best,
I set you free!
I wish you shelter from the storm
A cozy fire to keep you warm
But most of all,
But most of all
When snowflakes fall,
I wish you wealth
I wish you health
I wish you love!
